DEDICATION

To H. G. Wells' list of outstanding personages, the Shepherd students would happily add that of Miss Florence Shaw, Professor of Elementary Education at Shepherd College.

To all who know her she symbolizes victory for the cause of abundant living through education. Believing in the supreme worth and dignity of the individual and his right to develop that divine potential, she has taught with a vision and a spirit of sacrificial love and devotion to truth that has served to inspire and light the way to fulfillment for many.

In knowing her, one glimpses a rare truth and beauty of living. She is a modern-day saint whose "immortality is the impress upon all mortal beings whose lives have touched hers."

So as an expression of gratitude and appreciation on the part of students, faculty and friends of Shepherd College, the COHONGOROOTA staff happily dedicates to Miss Shaw the 1955 COHONGOROOTA.

MISS FLORENCE SHAW

PRESIDENT

Since 1871, Shepherd College has been dedicated to the higher education of the youth of West Virginia and the Nation. The 1954-55 academic year marks another important page in the history of the building of a better and greater Shepherd College.

The college enrolled the largest student body in the history of the institution with 563 full-time students, an increase of 14 per cent over the past year. The residence halls for men and women were filled to capacity. Shepherd College can be justly proud of the outstanding men and women who are members of the 1954-55 student body. The high academic, social, and moral standards of our students are giving Shepherd College the reputation of being a "College of Quality."

Shepherd has been assembling an outstanding faculty to serve the educational needs of our rapidly growing institution. During the year the college faculty has been engaged in a study of the academic program of the college.

College classroom facilities were enlarged with the renovation of the former gymnasium into White Hall, a modern new classroom building for Business Administration. The Home Economics program was expanded with the establishment of a new Home Management House on the campus.

Student organizations and activities have had a successful year and we congratulate the Student Senate for the leadership that they have given the student body under their new constitution.

We are grateful to our annual staff and their capable sponsor for the 1955 COHONGO-ROOTA.

Shepherd College is moving ahead in a "Program of Progress" because of faithful faculty members, successful students, loyal alumni, and fine friends.

"Hey! That pic goes here." "No, it belongs with this advertisement." Such is the conflab that goes into the making of the CO-HONGOROOTA each year. Among the many tasks in the publication of the yearbook are the sale of advertisements, the physical outlay of the book itself, the solicitation of material, the collection of photographs and the final distribution.

Those who spent many hours in the Annex of the library making up the book are Eugene Hare, editor; Fred Belles, sports editor; Helen Calkins, feature editor; Sallye Morgan, copy editor; Mary Hartsaw, secretary; Norma Albert, business manager; Anne Creasy, Nancy Miller and Richard Hart, advertising salesmen.

The adviser to the staff is Miss Louise Huffaker, college librarian and associate professor of library science.

PI DELTA EPSILON

Devoted to the encouragement of journalism among Shepherd students, the Pi Delta Epsilon, a national journalism fraternity, stimulates interest in creative and commercial writing.

Membership in the fraternity is open to all students who have worked one year either on the COHONGOROOTA or the Picket, or have written radio scripts for broadcasts, and have completed two years of college with a high scholastic average.

STUDENT CHRISTIAN ASSOCIATION

"In search of truth" is the motto of the Student Christian Association of Shepherd, largest organization on the campus. This student group is affiliated with the national Y.M.C.A. and Y.W.C.A.

The S.C.A. is devoted to the task of providing students an opportunity to grow in the C₁₁ristian life through work, study and service. A well-balanced and talented choir of Shepherd College was a true asset and benefit to the institution and community this year.

Specializing in a capella singing, the choir performed noted works by Bach, Palestrina, Handel, Fred Waring and others. Prof. Carl J. Farnsworth directed the organization for the Christmas cantata, for the community church services and other events.

Soloists were Elsie Inskeep, Lorna Shull, Bonnie Smith, Richard Forsythe, Charles VanMeter, Bob Bartlett, and Stanley Ikenberry. Jane Morehouse was the accompanist.

SHEPHERD BAND

Possibly one of the most active organizations on the campus is the Shepherd College Band. A precision unit, the Band is one of the outstanding musical organizations in the tri-state area. The director, Professor Guy Frank, has worked untiringly in molding the group into a respected and unique organization. One of the main attributes of the band is its ability to play all types of music, and play them well.

Just a few of the many activities of the band are: Homecoming Parade, Winter and Spring Concerts, Musicals, and trips to civic clubs and area high schools. Also throughout the year unlimited support is given to all athletic events and functions of the college.

The F. T. A. is sponsored by the West Virginia and National Education Associations. It participates in as many of the activities of each association as the membership is capable of conducting.

Major events of the year include sponsoring of American Education Week programs and Regional High School FTA conferences in cooperation with the State Classroom Teachers' Association.

KAPPA DELTA PI

Kappa Delta Pi is an honorary scholastic society organized for the purpose of promoting more intimate fellowship with those whose lives are dedicated to the cause of teaching as a profession. It is a national society, the aim of which is to foster high standards of preparation for teaching, and to invite into fellowship those who have attained excellence of scholarship and distinction of achievement as students and servants of education.

The Alpha Chi cast of the Alpha Psi Omega National Honorary Fraternity is devoted to the presentation of highly artistic, intelligent dramatic productions on the Shepherd College campus. Closely allied with the Department of Drama, the cast produces a group of outstanding plays each season and also sponsors other theatrical activities. Under the direction of Dr. Vera Ellen Malton, the extremely active organization has raised the standard of drama at Shepherd College to a high level in the past few years.

The cast opened the 1954-55 season with the presentation of "R. U. R." The group in cooperation with Theta Sigma Chi presented "Golden Boy." "Finian's Rainbow" was presented in conjunction with the Shepherd College Band. Closely following were two nights of one act plays directed by students and in some cases

the plays were written by students.

Those students interested in joining the fraternity may do so by fulfilling certain qualifications involving work in the various phases of the theatrical arts. In order to facilitate membership in the fraternity, members have created a dramatic club whose membership is composed of all who have taken part in dramatic productions.

INTERNATIONAL RELATIONS CLUB

The I. R. C. devotes itself to the study and evaluatiton of na-

tional and international politics and policies, and to an apprecia-

tion of world culture patterns. One of the chief concerns of the

group this year was to try to get as many varied viewpoints and

opinions of the world situation as possible.

FOUR-H CLUB

CIRCLE "K" CLUB

The 4-H Club was organized at Shep-

herd in January, 1953, as a branch of the

West Virginia and the national 4-H or-

ganizations.

The Circle K Club, chartered at Shepherd, May, 1953, has shown great promise of becoming a very prosperous club.

It is a service organization similar to the

Kiwanis Club.

W H O'S W H O

Each year at Shepherd the names of a number of the College's most outstanding students are selected by the faculty to be honored by inclusion in the publication, "Who's Who Among Students in American Universities and Colleges." The qualities required for nomination and final listing are character, scholarship, extra-curricular activities, and the possibility of future usefulness to business and to society.

Composed of the executive officers and a representative from each class, the Dormitory Council is the governing board of the women's residence hall. They revise, interpret, and administer the regulations governing resident women with the assistance of the Resident Counselor and the Dean of Women. The social program and special projects are carried on under their direction.

STUDENT SENATE

The Student Senate of Shepherd College serves as an organ of student opinion and a student parliament to mediate in situations involving individuals or campus organizations. Among its primary responsibilities are the execution of the school constitution and any necessary revisions, the expression of student opinion and the examination of student misunderstandings, the sponsorship of the Student Union, the planning of such activities as the Homecoming festivities and the Queen's Ball; and chiefly, the representation of all groups within the student body.

THETA SIGMA CHI

The Theta Sigma Chi of Shepherd College serves a two-fold purpose on the campus. First it is a social organization.

Through a close relationship in work and recreation, it creates in the members a feeling of brotherhood. Possibly the fraternity is not as some fraternities, "a home away from home," but it still offers many advantages to the members.

The Fraternity is not only a social organization but is also proud to be classed as a service organization. Many activities are carried out during the year in the service manner.

First Row: Graham Bullock, Charles Chipley, Dan Clemens, Gilbert Creamer, Don Dahlin.

Second Row: Bob Davis, Haynes Davis, Charles Emery, Jim Fleming, Richard Hart.

Third Row: Paul Jenkins, Norman Johnston, Ross Kenny, Gary Kerns, James Lambdin.

Eighth Row: Kenny Wisecarver, Charles Yates.

ZETA SIGMA

The Zeta Sigma Fraternity of Shepherd College is dedicated to the ideals of American youth. Its members pledge responsibility to the fraternity, the school, and the community. But fraternity activities are not all work. During the past year the fraternity held not only the award for scholarship among the men's organizations on campus but the athletic award as well.

ALPHA SIGMA TAU

The members of Chi Chapter of the Alpha Sigma Tau
National Social Sorority are dedicated to promoting the
social, cultural, and ethical ideals of young womanhood on
the campus.

One of the most active organizations on campus, the Alphas are noted for their accomplishments in the field of social service.

However, sorority membership is not all work. There are slumber parties each semester for prospective pledges and a dinner party for new members.

PHI SIGMA CHI

Phi Sigma Chi Sorority was organized on the Shepherd campus in 1930 under the name of Phi Chi. Mrs. Ernest Stutzman is advisor.

The sorority became national in 1945 by joining the Sigma Sigma Sigma National Social Sorority. At the end of three years, in 1948, the sorority voted to withdraw from National and again become local. They combined the two names previously used and became Phi Sigma Chi.

The purpose of the sorority is to stimulate and promote interest and activity in social development, friendship, and education.

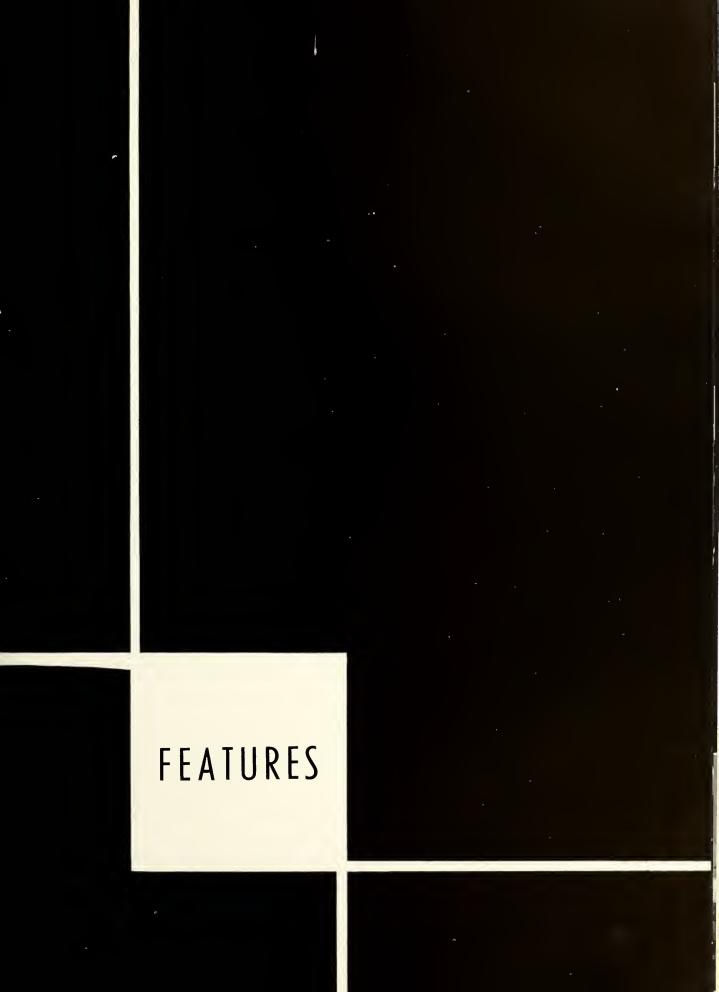

The membership of the Council includes three executive officers and eight representatives chosen by the men in their respective wings. Meetings are held on alternate Thursday nights and on call to deal with any matter affecting the welfare of individuals or the group. The social program is also under their jurisdiction.

Dr. Harry Brown, Resident Counselor is an ex-officio member of the council.

FOOTBALL SEASON '54

1954 FOOTBALL SCHEDULE

September 18 *Fairmont State at Shepherdstown	October 16 Newport News, Homecoming at Shepherdstown 40-13
September 25 *Glenville State at Shepherdstown	October 23 *Potomac State at Keyser, West Virginia 7-13
October 2 Randolph-Macon at Ashland, Va 7-25	October 30 Gallaudet at Washington, D.C 26-6
October 9 Bridgewater at Shepherdstown	November 5 *Sälem College at Shepherdstown

The 1954 record of 5-2-1 for the Rams was the best since '49—and the second best in the history of the College (6-2-0; 1949). The Rams scored 147 points to 83 for the opposition. The Rams have scored in the last 14 ball games. The second game of the 53 season was the last time the Rams were held scoreless when Glenville defeated Shepherd, 7-0. Since then the Rams have scored 229 points to 155 points for the opposition.

Leading scorer for the Rams in '54 was George Hott who played in only 5 of the 8 football games but scored 9 TDs for 54 points. Meredith Boyd led the Conference in PATs, having missed only 4 attempts for the entire season. Blackburn was one of the leaders in the Conference with his excellent punting. Hall did exceptionally well on kick-off returns as the Rams set a new Conference record of returning 17 a total of 545 yards for a 32.1 average. The Rams also excelled at returning punts and blocking punts. Several games were broken open with punt returns, and the Rams blocked 6 punts on an 8 game schedule. Shearer was one of the leaders in the Conference with his excellent passing.

Seven Shepherd College players were selected on the All-Conference (WVIAC) teams as follows: Tackle Meredith Boyd and Guard

Richard Hart, first teeam; second team—QB John Shearer, HB George Hott and Center Joe Hockman. Shepherd's co-captains, Dick Widdows and Ace Emery, both ends, were given honorable mention.

The play of the Rams improved greatly as the season progressed in '54. From the 53 squad, Coach Fuoss had only 11 holdovers, 9 of whom were lettermen, at the beginning of the '54 season. The return of Barney Tucker from the armed forces—a letterman in '49—and the enrollment of John Shearer from Montgomery Junior College, and George Hott, former WVU star before doing a hitch in the service, assisted the Rams greatly. A number of underclassmen, including freshmen, whom the coaching staff had not counted on in particular came through and added strength and depth to the positions. Such men, not mentioned heretofore, who contributed to the success of the Rams with their fine play were as follows: Ends McIntyre, Weller and Fleming: Tackle "Smoke" Johnson: Guards Brakeall, Dill, Hillyard and Owens; Center Shipley: Halfbacks Snyder, Flagg and Hall: Fullback Pratico and Quarterback Williams. As a result 25 men on a 37-man squad lettered for Shepherd in 54. Co-captains Widdows and Emery did a fine job of providing leadership for the Rams.

The Shepherd College basketball team displayed on-again off-again form throughout the 1954-55 season. The Rams opened the season with a win over a strong Frostburg team only to drop the next three games in succession. The Rams trounced Wilson Teachers decisively before Christmas vacation only to have Wilson turn the tables on Shepherd in the first contest after the holidays. Davis and Elkins showed the Rams no mercy as a hot Senator outfit could not be stopped. D&F was in contention for WVIAC honors all year knocking off the best teams in the Conference regularly.

West Liberty squeaked by the Rams, 104 to 102, in an overtime game. Shippensburg downed Shepherd twice. The Rams jumped on Shenandoah, 109-45, the first time the two teams met

and Shepherd squeaked out only a 1-point victory over them on the second occasion.

A hectic three-day road trip saw the Rams drop games in succession to Frostburg, West Liberty and Bethany. Bridgewater was defeated by the Rams in an overtime contest and WVIAC champs, Alderson-Broaddus, defeated the Rams with ease in the final contest of the tournament and it was a good ball game for the first half, 53-52. Shepherd cooled off and Wesleyan continued its pace to defeat the Rams with ease.

While the 1954-55 season had few highlights, the Rams gained the dubious distinction of being the first Shepherd College aggregation to defeat traditional rival, Potomac State, twice in one season. In Shepherdstown the Rams defeated the Catamounts, 92-75, and in Keyser Shepherd won 90-87 over the Potomac Staters.
